WELCOME

Welcome families, friends, and guests,

Thank you for joining us as we celebrate another incredible year at Triple Arts Academy. Tonight, we invite you to embark on a journey Around the World through dance, music, and performance.

Our students have worked hard throughout the year to develop their skills, build confidence, and share their creativity. Each performance represents countless hours of practice, dedication, and growth. From first-time performers stepping onto the stage to our graduating students preparing for their next adventure, we are proud of every student who is part of this showcase.

As you travel with us through different countries, cultures, and musical traditions, we hope you enjoy the talent, passion, and imagination that make our Triple Arts community so special. We would like to extend our heartfelt thanks to our families for their ongoing support, our dedicated faculty and staff for their commitment, our volunteers who help make events like this possible, and the Cambridge Community Players for hosting us. To our students: thank you for sharing your gifts with us. We are honoured to be part of your journey and look forward to seeing where your next adventure takes you.

Sit back, relax, and enjoy the show!
